### **PORTFOLIO** Requirement

The successful completion of *Communication Design Portfolio Review* (*MADT 285*) is necessary for entry into upper-division Communication
Design course work. The portfolio is comprised of work from ARTS 122,
ARTS 123, ARTS 125, MADT 206, MADT 222, MADT 283 and MADT 284.
Portfolios are evaluated by a committee of Communication Design faculty
and design professionals. With instructor permission, transfer students may
take some of the prerequisite courses concurrent with the review.

#### **ADVISING** Requirement

Advising is mandatory for all majors in this degree program. Consult your undergraduate advisor for specific information.

#### **LAPTOP** Requirement

The Department of Media Arts, Design + Technology requires students in the Communication Design program to own a laptop computer. Requirements include either a 13-inch or 15-inch Apple MacBook Pro. If interested, you can contact the Financial Aid Office for details on assistance. CSU Chico's site license provides students with the Adobe Creative Cloud free of charge. This computer is expected to serve the student for the entire length of the four-year program.
